

AERONET Workshop

ATMOSPHERIC SOUNDING STATION
“EL ARENOSILLO”, SPAIN

Location.

El Arenosillo is located in the km 33 of the road Huelva – Matalascañas, in the pre-National Park of Doñana. The INTA station is hidden among the pine trees. In the road there is a small signal of INTA, but it is easy to find because of the 100m high antennae pole that can be seen from far away.

Closest lodging to El Arenosillo is Mazagón, a small fish and touristy village about 10 km distance. Mazagon is the most convenient place to stay. INTA can arrange transportation between Mazagon and El Arenosillo Station.
